

Point N' Paint™ Inverted Tip Marking Paint

Point N' Paint™ is a heavy-duty, industrial paint made with a water-base formula. It is fast drying, durable and non-clogging.

Point N' Paint produces fewer V.O.C.s than other leading brands and less V.O.C.s sprayed into the air means cleaner, safer air for everyone.

Use Point N' Paint for marking construction and excavation sites, underground utilities, landscaping, etc.

- Environmentally friendly water-based paint
- Marks on soil, grass, gravel and pavement
- Non-clogging, fast drying and durable
- Lasts up to six weeks
- Lead free and V.O.C. compliant
- Meets California Clean Air regulations
